

The RAMBLER

MARCH 1966

FRENCH

Sixty lucky French students travelled to Como Lake High School Mar. 21 to see a performance by "Les Jeunes Comediens." This group of young French Canadian actors is currently on a 26 week tour of Canada. They are travelling by bus which carries not only the company of actors but the sets and costumes for production as well. At the close of the tour, they will return to their home base-Toronto.

13^e

During the 'flu epidemic, Senior Students were called upon to fill in for absent teachers. Here are some of their comments:

M.E. Carter: I really enjoyed my day of substitute teaching.

D. Greeno: Grade 8 must be the most difficult class to teach.

Mrs. Buckley has my sympathy.

D. Harris: I didn't teach I baby-sat.

What grade? Oh, Grade X

E. Hunt: Grade 3's are the cutest kids... oh, well, I survived.

J. Bennett: It was an interesting experience.

The class was well behaved except for talking, and jumping up and down, and dropping things.

J. Kelley: ...students most co-operative...

T. Needham: Students willing to work...

J. Pastorek: It helped me to see what I will face when I begin my teaching career.

"THE AND I" ---A SUCCESSFUL CAST STUDENTS PROFIT BY CAREER NIGHT

Students from Maple Ridge, Garibaldi and Pitt Meadows gathered in the MRSS Gym Monday night, March 14, to learn about the careers in which they are interested.

Seventeen well-informed leaders directed groups in discussion. They no doubt helped students in their selection of a vocation.

Speakers and their topics follow:

G.W. Vogt, Accounting, Bookkeeping and Business; A. Holmes, Business Administration and Banking; F. Milligan, Engineering; N.E. McClary, Electronics; J. Walters, Forestry; Mrs. J. Pearce, Dietitian; Mrs. D. Wallace, Hairdressing; J. Hodgson, I.B.M. Computer; P. Hodge, Medical and related fields; R. Lester, Law; N. Hambrucker, Mechanics; M. Ealey, Secretary; Miss J. Joasaw, Social Worker; Miss M. Fisk, Stewardess; E. Fehler, Welding; Staff Sergeant West, Police Work; S. Simpson, Autobody.

The evening was a success for all those who attended. Students now have an idea of the advantages or disadvantages of some of the better known careers. A programme like this is greatly appreciated by the students.

A Go Go

For the small price of 10 cents, the students of Maple Ridge were treated to a sensational "go-go" Wednesday noon, with Jim Isherwood singing, Graham Bleasdale on the organ, Howie Baker on the drums, Forbes MacKay and grad Chris Blades on guitars. Wendy Green and Nicki Sumner acted as GO-GO girls.

The Gym was packed. The bell rang, but no one left until Jim had finished singing James Brown's "Try Me".

The go-go was put on by the Senior Class to raise money for Graduation. This has been a tradition at MRSS for some years.
