RAMBLER EDITORIAL

HELP! This is an undisguised plea directed to the students of Maple Ridge. We are desperately in need of more material. Unless you want your school paper to look undernourished, how about submitting some? Either place it in the Rambler box outside the main office or hand it to a member of the staff, but please do something.

The Rambler staff has unearthed a mystery. No one seems to know where our present school crest and motto (Mens sana in corpore sano) originated. Apparently the records were destroyed when the old school burned. Does anyone have any information on this subject? If so, how about getting in touch with us; we're curious.

The number one record this week is again "Get Off My Cloud." Don't forget to fill out your surveys and have them in the box by tomorrow noon!
